

Title of a course	English Language in Agritourism II				
Study programme	Undergraduate Professional Study Programme of Sustainable Agritourism				
Status of a course	Obligatory				
Year of study	1	Semester	II	ECTS credits	3
Goals of a course					
The aim of the course is to develop the oral and written expression of students in general English, with particular reference to the language of the agricultural profession. The course is aimed at improving the presentation of students in the business environment (writing a summary and presenting a professional topic), as well as the use of future verb tenses and passive structures, with an emphasis on the professional context.					
Conditions for enrolling course					
No conditions					
Learning outcomes on a level of a study programme which includes course					
Outcome 8: Substantiate the selected sales skills and manners of managing the supply chain, procurement and sales process. Outcome 9: Apply communication and presentation skills in written and oral communication with agritourism stakeholders.
